

CREATOR CREDIT PROGRAM

- Our Creator Credit Program rewards our Creators on their monthly personal purchases. Creators earn \$20 back for every \$200 spent in a month, once \$200 has been met. Example: Spend \$200 and get \$20 back or spend \$400 and get \$40 back!
- Creator Rewards expire after 60 days from issue date.

**Please note this is calculated only on personal purchases not those of your customers. This excludes shipping, tax, enrollment kits, and monthly membership fees. These credits are made available the 15th of the following month they're earned.*
